

**37th Tokyo Motor Show – Passenger Cars & Motorcycles (2003)**  
**Guide to on-line procedures and applications for facilities**  
**(Issuing of Exhibitor IDs and Passwords)**

In order to improve the efficiency of operations related to various forms and applications to be submitted by exhibitors, the Motor Show Secretariat has implemented a shift from the past application method based on submittal of documents to a new on-line application system. You have been issued an ID and Password as indicated below. Please refer to the enclosed “On-line Procedures and Applications for Facilities Manual,” and follow the instructions provided.

1. On-line procedures homepage URL:  
<https://ssl.tokyo-motorshow.com/regist2003/>

2. Starting date for procedures and applications: July 14, 2003 (tentative)

3. Exhibitor ID and Password

Exhibitor name : \*\*\*\*\*

Exhibitor ID		Password
ID	*****	*****
ID	*****	*****

4. ID access authority

This on-line procedures homepage contains PR materials and other materials not yet released to the general public. For this reason, access authority will be limited according to the following conditions:

- ID For Exhibitors Only (Confidential)**  
**Enables access to all procedure and application pages**
- ID To be used when agents, contractors, etc., make applications on behalf of exhibitors. This ID does not allow access to certain PR materials and other procedure and application pages.**

For a list of accessible pages, please refer to the enclosed “On-line Procedures and Applications for Facilities Manual.”

The ID noted above can only be forwarded directly from the Secretariat to the Exhibitor. Exhibitors should advise agents and contractors of this ID as required. For security reasons, however, Exhibitors are requested to take
